**Work Habits - Ratings and Indicators** Student Name

MP

week#

Work habits are the ways in which a worker goes about doing a job. Developing excellent work habits is as important as developing excellent knowledge and job skills, which is why the Career Center evaluates students on their work habit development, and work habits are included as part of each student's class grade.

**Ratings for Work Habits**

Rating	Grade	Attendance/ Participation for Excused	Description
5 - Exceptional	100% A	0 - 2	Student always satisfies work habit indicators. Student exceeds work habits standards when possible.
4 - Acceptable for Employment	87% B+	3	Student satisfies work habit indicators a large majority of the time. Student is ready for job placement.
3 - Acceptable for Classroom	75% C	4	Student usually satisfies work habit indicators. Student is not ready for job placement.
2 - Not Acceptable for Classroom	55% D	5	Student satisfies the work habit indicators less than half of the time. Student's work habits are not deserving of classroom credit.
1 - Not Acceptable for CACC	0% E	6+	Student rarely satisfies the work habit indicators. Student's work habits need great improvement in order to continue at the Career Center.
<b>0 - No credit given</b>			
ATTENDANCE WORK HABIT: Students may have up to 2 excused absences each 6-week marking period without it affecting their work habits grade. An unexcused absence results in a zero for the marking period for the Attendance Work Habit.			

**Indicators for Work Habits:** Each work habit has indicators that instructors look for to evaluate a student's level of success in accomplishing the work habit. Each work habit and its indicators of success are listed on the following pages.
